## **SWEATER RIGHT SLEEVE (90 stitches x 171 rows)**

### **GARMENT TEXT-**

Cast on 56 (Left needle 28 to right needle 28).

Using the 1 by 1 Needle pusher, place it from the second needle on the left and push every alternate needle back

to non-working position.

### **Tension dial 3 on mast and 2 on carriage**

Cast on with the waste yarn and knit several rows, ending with carriage on left (COL). Knit 1 Row with the ravel chord. Carriage is now on the right (COR).

**Still on tension 2 on stitch dial**, with main yarn

**Set RC to 000** knit 32 rows ( this is because the welt is a mock rib. If reforming rib then knit 16 rows of welt).

Pick up loops to form mock rib and increase 1 stitch if needed to ensure needles count 56.

With main yarn, start knitting sleeve with **tension 3** stitch dial on carriage .

**Set RC to 000.**

## JOINING AND FINISHING THE GARMENT

**STEP 1:** Right side of knit front facing the right side of back sweater, join the left front shoulder to the left back shoulder with pins and stitch in place using the sewing machine.

**STEP 2:** Place right front shoulder to the right back shoulder (this is to make a mark because of the shoulder joining later on and also the neck band for the back of sweater) . Place a pin on the inner part of the shoulder of back but do not pin to the front.

Pick the 41 stitches for rib back neck and 41 stitches for front of left neck only. With yarn (for welt) and ravel chord together, knit 1 row. With only yarn in the yarn feeder knit 20 rows. Pick up loops to form rib and cast off.

**NOTE:** Neckband is not a mock-rib. Stitches are picked up (like in mock-rib) to make the neckband firm. The ravel chord is used together with the yarn to knit 1 row, because the multi yarn has a colour that the bodice of the garment has ( we want to know the row where the loops will be picked to form the neckband).

**STEP 4:** Pick up 41 stitches for front right neck and knit rib as for back neck and left neck of garment.

**STEP 5:** Join front right shoulder to right shoulder back . Sew with a sewing machine,

**STEP 6:** Attach arm of sleeve to arm of sweater.

**STEP 7:** Overlap the front of sweater neck and with a tapestry needle and yarn, sew the overlapped neckband. Darn all loose yarns.
